“

I just spent two amazing days with Monica Neubauer down here in Houston, Texas with CRS. If you're ever interested in doing a CRS class, make sure you go and hear Monica's. She is fantastic, energetic and just an amazing instructor. Monica Neubauer, CRS – fantastic.

**Maurice Taylor, Former President of the
Arkansas REALTORS® Association, Alderman**

Having just completed the SRES course you taught to our Irongate agents here in Dayton, I wanted you to know how much we all appreciated your teaching skills, your subject knowledge and your enthusiastic passion for this important segment of the real estate market. Your sincerity and concern for the "mature" in our society made the class seem both timely and relevant.

**Steve Brown, 2014 President,
National Association of REALTORS®**

PROGRAM DESCRIPTIONS

EMCEE, MODERATOR, PANELIST

The leader of a public conversation needs to be able to adapt to changes in script, ideas, and plans. Monica, as a skilled toastmaster and Improv speaker can adapt to unexpected situations as well as read the room to gauge where the session needs to go. As the host for NAR's Center for REALTOR® Development Podcast she is adept at combining preparedness with "in the moment" shifts. She has moderated panels for Associations as well as the National Association of REALTORS® Annual Conference. Monica has emceed the RAPDD Conference and will be the Emcee for the upcoming RRC Sell-a-bration event in Nashville in 2025. If you want a speaker who thinks fast on her feet while considering the vibe of the event, hire Monica to bring energy, fun and a good bit of quirky.

GENERAL SESSION KEYNOTES

AI Communication: Tech and Humanity to Improve Customer Service

AI is a business tool we'll all be implementing. The future is now. Lean into curiosity. Are we implementing AI in ways that improve our workload, and improve our customer's experience in the transaction? Use it or not, remember, our humanity is the best quality we bring to a transaction. AI should be used to improve communication, not replace it. Agents need to know when using AI is useful and when it may be creating something wrong, illegal, or unethical. All communication, in every form, is the responsibility of the agent. This session covers the fantastic benefits of using AI while reminding us of the importance of our humanity.

The ARCS of Authenticity

Authentic living is something we are talking about in all areas of life. But what is authentic expression that can adapt to my personal, professional and private realms? With many opportunities to express ourselves, we will look at Adaptable, Revisable and Curious Authenticity to create the balance of who we are with the many worlds we live in.

Communication, Collaboration, and Close – Listen for Connection

YOU are the connector in the real estate transaction. Agents are at the beginning with the initial planning with the client, and in ongoing work with the vendors and other agents through the whole transaction to the close and beyond. Does your communication and collaboration improve your business and the client's experience? An ability to listen and guide the environment will help you be the real estate professional they return to again and again!

Change IS the New Normal

A revolution in culture and industry is happening at an exponential level. Technology and culture are influencing every aspect of life and bringing a barrage of new ideas and concepts to the real estate industry. Develop a proactive attitude towards growth and adaptability to balance “real time” living with the changes in our businesses.

Funtentional Living!

Take Control to Live the Life You Choose

Do you feel life is happening too fast and it is mostly out of your control? Or have you established a mindset that celebrates your decisions and fills your life with laughter and a sense of well-being? Ultimately, it is about the choices you make in how you react to circumstances or other people. Join Monica as she shows you the cost of decision-making and how it relates to creating a successful life and business strategy. You will learn how to live your life with intention by evaluating options and resources and then applying decisions with gusto. Take control of your life with reflection, decisiveness, and fun. And live life Funtentionally!

WORKSHOPS AND EDUCATIONAL PROGRAMS

5 Ways to Communicate Your Business Model – What value do you bring the client?

When hiring a service-based business, a client needs to know exactly what work is being done for them and what services they are paying for. Agents need to know what they do and explain it clearly to the public and then have a system for doing it. This class helps agents see what they do or don't do so they can reevaluate their business model to specifically charge what is needful for the task based on the work they are going to do. Agents will be able to clearly explain their business to the prospects in the marketplace – setting clear expectations for everyone.

Session Length: 1 hour

Session Length: 1 hour

"I will greet this day with love in my heart. And how will I do this? Henceforth will I look on all things with love and be born again. I will love the sun for it warms my bones; yet I will love the rain for it cleanses my spirit. I will love the light for it shows me the way; yet I will love the darkness for it shows me the stars. I will welcome happiness as it enlarges my heart; yet I will endure sadness for it opens my soul." — Og Mandino

ASSOCIATION STAFF AND LEADERSHIP ACADEMY SESSIONS

“Insighting” Leadership with Collaboration and Solutions

Effective leadership requires 360-degree vision: To empower your group, you must not only understand the personalities and skill sets of those you work with, you must also understand your own self. Through self-awareness, you can help others grow. This eye-opening and engaging session reveals how behavioral models and key insights into relationships can be made actionable on any team.

Join Monica Neubauer to examine

- the basics of managing an effective meeting;
- the keystones of organization and respect;
- the power of creating a vision statement;
- what steps to take to address and counter fear;
- how divergent groups can cooperate;
- and, why every gift has a place at the leadership table.

2 – 6 hours; Modules Available

What is Your Association’s Value Proposition?

Associations will soon be, if not already, evaluating what value they bring to the agents. Strong associations bring so much value to the real estate community, but if the agents don’t see it and don’t participate, membership may flag as agents are presented with more options for connections, MLS memberships and education. What benefits do you bring the agents, potential leaders, and even the community, that other groups are not doing or cannot do?

Attendees will

- Learn how to identify the ROI (return on investment) for activities and expenditures
- Recognize the competition in the marketplace for agent’s attention
- Ask better questions about traditional activities versus successful activities.
